Cost Plus 10% At Checkout! All Items Are While Supplies Last!

Froogel's is the best way to save the most money on your family's food bill!!! We price every item at our cost or below, then we add just 10% at the checkout. We determine the cost of each item by the expense it takes us to get the product from our warehouse to the shelf. So remember, all the prices you see on the shelf or display or in our advertisements will have just 10% added at the checkout! Questions? Ask any of our friendly staff.
